

Ryan J. Marek, Ph.D.

CURRICULUM VITAE

Office Phone: [REDACTED]

Email: [REDACTED]

EMPLOYMENT

- 2023 – Present **Assistant Professor of Clinical Psychology (Tenure Track)**
Department of Psychology and Philosophy
Sam Houston State University
1905 University Ave
Huntsville, TX 77340
- 2021 – 2023 **Assistant Professor of Clinical Psychology (Tenure Track)**
Sam Houston State University College of Osteopathic Medicine
925 City Central Ave
Conroe, TX 77304
- 2017 –2021 **Assistant Professor of Health Service Psychology (Tenure Track)**
Department of Clinical, Health, and Applied Sciences
University of Houston-Clear Lake
2700 Bay Area Blvd.
Houston, TX 77058

LICENSING INFORMATION

- 2019 – Present Licensed Psychologist (License# 38086) in the state of Texas

EDUCATION

- 2014 - 2017 **Kent State University**, Kent, Ohio (APA Accredited)
Ph.D. in Clinical Psychology, Assessment & Health Specializations
Minor in Quantitative Methodology
Dissertation: *Psychopathology and Five-Year Roux-en-Y Gastric Bypass Outcomes in Bariatric Surgery Patients*
- 2011– 2014 **Kent State University**, Kent, Ohio (APA Accredited)
M.A. in Clinical Psychology, Assessment & Health Specialization
Minor in Quantitative Methodology
Master's Thesis: *Assessing Psychosocial Functioning of Bariatric Surgery Candidates with the Minnesota Multiphasic Personality Inventory-2 Restructured Form*
- 2007 –2011 **John Carroll University**, University Heights, Ohio
B.S. in Psychology (Nicholas DiCaprio Distinguished Graduate)
Minor in Statistics & Probability

PRE-DOCTORAL INTERNSHIP

- 2016 – 2017 **Medical University of South Carolina**, Charleston, South Carolina (APA Accredited)
Department of Psychiatry and Behavioral Sciences
Behavioral Medicine Track
Rotations: Weight Management, Pain Management, IOP Behavioral Medicine, Neurology.

ADDITIONAL AFFILIATIONS

- 2018 – 2023 **Adjunct Assistant Professor of Clinical Psychology**
Baylor College of Medicine
1 Baylor Plaza
Houston, TX 77030
- 2019 – 2023 **Psychologist (Working Without Compensation)**
Michael E. DeBakey VA Medical Center
2002 Holcombe Blvd
Houston, TX 77030

RESEARCH FUNDING

Funded Projects

Source: SHSU's Provost Innovation Fund: Building Research, Innovation, Discovery, and Growing Engagement (BRIDGE)

Title: *Effectiveness of a Community-Based Intervention of Acceptance and Commitment Therapy for Type 2 Diabetes Management in a Rural and Underserved Community*

Role: Principal Investigator

Award Amount: \$174,295.54

Date: September 1, 2023 – August 31, 2025

Source: Sam Houston State University' Pilot Studies for Future Funding Program Grant

Title: Machine learning-based sentiment analysis for predicting problematical eating behavior

Role: Consultant

Award Amount: \$14,609

Date: May 1, 2022 – April 30, 2023

Source: University of Minnesota Press

Title: *Empirical Correlates and Clinical Utility of the MMPI-3 Among Bariatric Surgery Patients*

Role: Principal Investigator

Award Amount: \$67,480.10

Date: July 1, 2021 – June 30, 2023

Source: University of Minnesota Press

Title: Using Presurgical Psychological Assessments to Predict Psychopathology and Weight Loss Outcomes Five Years after Bariatric Surgery

Role: Principal Investigator

Award Amount: \$32,000

Date: July 1, 2018 – June 30, 2020

Source: University of Minnesota Press

Title: Validation of Psychosocial Risk Factor Dimensions Assessed by the MMPI-2-RF Spine Surgery Candidate Interpretive Report (Spine- CIR) and Spinal Cord Stimulator Candidate Interpretive Report (Stim- CIR)

Role: Co-Investigator

Award Amount: \$71,000

Date: July 1, 2018 – June 30, 2021

Source: University of Minnesota Press

Title: The Spine Surgery Candidate Interpretive Report (Spine-CIR) and Spinal Cord Stimulator Candidate

R.J. Marek

Interpretive Report (Stim-CIR): Replication and Validation with the MMPI-3
Role: Co-Investigator
Award Amount: \$20,000
Date: July 1, 2017 – June 30, 2018

Proposals Being Developed

Source: National Institute of Health
Title: Effectiveness of Brief Telehealth Acceptance and Commitment Therapy for Reducing Body Weight and Hemoglobin A1C in Rural and Underserved Populations
Role: Primary Investigator
Mechanism: R01 – National Institute of Diabetes and Digestive and Kidney Diseases
Projected Award Amount: \$600,000 (over 3 years)
Date Due: June, 2024

Source: National Institute of Health
Title: A Mixed-Methods Evaluation of the Mental Health Family Navigator Model in Montgomery and Walker Counties in Texas
Role: Co-Investigator
Mechanism: R01 – National Institute of Mental Health
Projected Award Amount: \$600,000 (over 3 years)
Date Due: January, 2024

Proposals Not Funded, But Reviewed Positively

Source: American Diabetes Association
Title: Effectiveness of a Community-Based Intervention of Acceptance and Commitment Therapy for Type 2 Diabetes Management in a Rural and Underserved Community
Role: Primary Investigator
Mechanism: Nutrition & Diabetes Junior Faculty Development Award
Status: Letter of Intent Submitted 6/24/2022; Invited to Write Full Proposal 7/16/2022; Grant Submitted 8/29/2022; Grant Status Notification 10/15/2022;
Direct Costs: \$413,104
Indirect Costs: \$37,555

AWARDS AND HONORS

Teaching & Scientific Awards

- 2023 **Faculty Research Award.** For Outstanding Researcher at SHSU’s College of Osteopathic Medicine
- 2020 **Semi-Finalist. UHCL Nomination for the 2020-2021 Piper Professor**
- 2020 **Center for Faculty Development’s New Faculty Research Award** - Council of Professors select one pre-tenured faculty for this award each year.
- 2020 **Exner Award** – Designed to promote research in the area of personality assessment.
- 2019 **APA Early Career Achievement Award** - designed to increase representation of outstanding early career members at the APA convention.

- 2019 **Samuel J. and Anne G. Beck Award** - bestowed annually for outstanding early career research in the field of personality assessment.
- 2015 **University Fellowship – Kent State University**
- 2015 **Featured Article – Surgery for Obesity and Related Diseases**
- Marek, R.J.**, Tarescavage, A.T., Ben-Porath, Y.S., Rish, J.M., Ashton, K., & Heinberg, L.J. (2015). Using presurgical psychological testing to predict 1-year appointment adherence and weight loss in bariatric surgery patients: predictive validity and methodological considerations. *Surgery for Obesity and Related Diseases*, 11(5), 1171-1181.
- 2015 **Mary S. Cerney Award, Society for Personality Assessment**
- 2014 **Kent State University Applied Center for Psychology Paper Award**

PEER-REVIEWED BOOKS

1. **Marek, R.J.**, & Block, A.R. (2023). *Presurgical Psychological Assessment of Surgical Candidates: Evidence-Based Procedures and Practices*. American Psychological Association.

CLINICAL EXPERIENCE

- 2023 – Present **Co-Owner, Anderson and Marek Psychological Assessment Services, PLLC**
We offer a variety of assessment-based services. I offer pre-surgical psychological evaluations (and pre-and post-op support as/if needed), disability evaluations, workers' compensation evaluations, and pre-employment evaluations.
- 2023 – Present **Clinical Supervisor, Sam Houston State University, Huntsville, TX.**
Provided clinical supervision to students conducting treatment and assessment with clients in our on-campus mental health clinic.
- 2021 – 2023 **Licensed Clinical Psychologist, Sam Houston State University Physicians, Conroe, TX.**
Practiced comprehensive psychological assessments (i.e., ADHD Evaluations, Pre-Surgical Evaluations), psychotherapy, and consultation with physicians.
- 2017 – 2021 **Clinical Supervisor, University of Houston–Clear Lake, Houston, TX**
Provided clinical supervision to students conducting treatment and assessment with clients in our on-campus mental health clinic.
- 2016 - 2017 **Medical University of South Carolina, Charleston, SC**
APA-Accredited Internship
Supervisors: Patrick O'Neil, Ph.D., Layne Goble, Ph.D., Sharlene Wedin, Psy.D., ABPP,
& Mark Wagner, Ph.D.
- Weight Management:** Effectively delivered evidence-based treatment for persons with obesity. Recognized and help patients identify solutions to common cognitive and behavioral obstacles to successful long-term weight management.

Interdisciplinary Pain Clinic: Accurately assessed psychosocial factors and co-morbid mental health diagnoses related to patients experiencing chronic pain. Developed evidence-based treatment plans for chronic pain based, including Cognitive Behavior Therapy and Acceptance and Commitment Therapy.

IOP — Behavioral Medicine Clinic: Conducted pre-surgical psychology evaluations for patients being considered for bariatric surgery or organ transplantation (liver, heart, kidney, & lung). Integrated psychological treatment and recommendations through verbal and written interactions with the medical teams and as an effective provider in multidisciplinary teams.

Neuropsychology Assessment Clinic: Conducted clinical and forensic assessments of primarily neurological-related diagnoses, learned specific diagnostic formulation and differential considerations. Assessments included memory disorders (Alzheimer and related dementia), movement disorders, epilepsy clinic (focusing on NES and pre-post neurosurgical treatment of seizures), and general neurological clinics (forensic, head injury, organ transplantation, multiple sclerosis, CNS tumors).

- 2015 - 2016 **Cleveland Clinic Bariatric and Metabolic Institute**, Cleveland, Ohio
Clinical Psychology Practicum
Supervisor: Dr. Leslie J. Heinberg
Conducted pre-surgical psychology evaluations of bariatric surgery candidates. Evaluations included a semi-structured clinical interview, medical chart review, and administration, scoring, and interpretation of the objective psychological tests. In addition, conducted individualized pre-surgical and post-operative therapies in an effort to optimize psychosocial adjustment and behavior change after surgery.
- 2014 - 2015 **Coleman Professional Services**, Kent, Ohio
Clinical Psychology Practicum
Supervisor: Dr. Frank Gorbett
Conducted intake interviews and individual therapy with adult clients in a community mental health setting. Clients presented with varying degrees of psychopathology including mood/anxiety disorders, drug and alcohol issues, personality disorders, and schizophrenia. Interpreted and wrote psychological reports. Practiced empirically-supported therapy approaches including CBT and Interpersonal therapy.
- 2013 - 2014 **Kent State University Psychological Clinic**, Kent, Ohio
Neuropsychological Assessment Trainee
Supervisors: Dr. John Gunstad, Dr. Mary Beth Spitznagel
Administered comprehensive neuropsychological batteries to young and older adults requesting evaluations (including but not limited to Attention Deficit Hyperactivity Disorder, Learning Disorders, and dementia). Scored, interpreted, and wrote neuropsychological reports.
- 2012 - 2014 **Kent State University Psychological Clinic**, Kent, Ohio
General Clinical Practicum

Intervention: Conducted short- and long term individual psychotherapy for clients with a variety of adjustment and clinical disorders, including mood and anxiety, substance abuse, eating, and personality disorders. Utilized a range of empirically-supported therapy approaches including CBT and Interpersonal therapy.
Supervisors: Alanna Updegraff, Ph.D., John Akamatsu, Ph.D. & Karin Coifman, Ph.D.
Psychological Assessment Practicum: Conducted clinical interviews, administered cognitive/neuropsychological, personality, and projective tests, and wrote comprehensive reports.
Supervisors: Yossef S. Ben-Porath, Ph.D., ABPP & Jacob A. Finn, Ph.D.

ADVANCED STATISTICAL TRAINING:

Software Applications: SPSS, STATA, Mplus

Analyses: ANOVA, Regression (linear and non-linear), Multilevel Modeling, Structural Equation Modeling, Latent Growth Analysis.
