EXPERIENCE

2020-Present

Program Director-Obesity Medicine/Metabolic and Bariatric Surgery
Program-UAB St. Vincent's Birmingham
Oversee a BCBS Blue distinction and MBSAQIP Comprehensive Center of Excellence Bariatric surgery program and obesity medicine program.

2015-Present

Legal Nurse Consultant-Contract
Specialty Area: Emergency Department and Trauma Cases

2011-2019

Sexual Assault Nurse Examiner-Crisis Center/Rape Response
Assessment, forensic evidence/DNA collection and documentation of sexual assault cases for law enforcement. Administration of preventative medications to clients and provide counseling information and follow up. I have experience testifying in the State of Alabama criminal court as an expert fact and material witness (Jefferson County AL/Talladega County AL). Over 400 cases completed.

2015-2020

Emergency Services Education Specialist -Brookwood Baptist
Health Emergency Services Market
Coordination and oversight of all staff orientation and training at all sites and establishment of all staff education on new policy, procedure and treatment protocol. Maintenance and completion of yearly competency and skill assessment on all ED staff and course director for all BLS/ACLS/PALS/TNCC/Healthy Interventions training. Established and maintained updates on all departmental policy and procedures. FIRSTNET (CERNER) EMR system coordinator and taught all FIRSTNET training courses for the department. Disaster/mass casualty/Hazmat preparation and training for the BBH system. During this time I also continued to provide front line care for ED patients frequently and have maintained required nursing skill sets.

2013-2015

Supervisor- Brookwood Baptist Medical Center Emergency Services
Job responsibilities included overseeing the daily operations in the emergency department and supervising the nursing staff in providing urgent and life-saving medical care for patients with serious conditions. Responsibilities also included facilitating hospital transfers, obtaining bed placement for admitted patients, completion of the staff monthly scheduling grid and daily assignments, and communication with hospital administration as needed. I also served as the leadership chair for the ED shared governance unit council
